Objectives and Priorities

The vision of the School is to realise the potential in each child by developing independence, adaptability and a passion for learning. The objectives include providing high quality education consistent with Montessori methods for the local community within an effective physical environment in a financially sustainable manner.

The current priorities (both short and long term) are centred on ensuring strong student enrolments, ensuring staff capacity and development, as well as continued building improvements.

Principal Activities

The principal activity during the year was the operation of a school providing a Montessori education for 3-6 years old children. The school also did fundraise and planning for future premises, the income from which has been taken up in the building fund.

Performance Measurement

The school uses a variety of quantitative and qualitative key performance indicators including feedback from parents, formal staff review, reviews by Department of Education and NESA, financial surplus and fundraising targets.

Operating Results

The net Profit amounted to **\$183,535**. Likely developments in the operations of the economic entity and the expected results of those operations in future financial years have not been included in the Financial Statements as the inclusion of such information is likely to result in unreasonable prejudice to the economic entity.

Events Subsequent to Balance Date

Since the end of the financial year, the Directors are not aware of any matter or circumstances not otherwise dealt with in the report.

Directors' Benefits

No Director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the Company, controlled entity or a related body corporate with the Director, a firm of which the Director is a member or an entity in which the Director has a substantial financial interest.

1. STATEMENT OF ACCOUNTING POLICIES (continued)

The following is a summary of the significant accounting policies adopted by the Company in the preparation of the Financial Statements. These policies have been consistently applied.

(a) Income Tax

The Company is exempt from taxation under Section 50.5 of the *Income Tax Assessment Act 1997*.

(b) Property, Plant & Equipment

Property, plant and equipment are included at cost or at independent or Directors' valuation. The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated over the useful lives commencing from the time the asset is ready for use, at rates approximating 5% on a prime cost basis. Leasehold improvements, as shown at Note 7 of the Financial Statements, relate to the refurbishment of the property at Cressy Road, North Ryde. Contributions received for no or a nominal value are recognised at their fair value on acquisition date as an asset in the Balance sheet and as revenue in the Statement of Profit or Loss and Other Comprehensive Income.

(c) Member's Equity

The Sydney Montessori Society was incorporated as a Company limited by guarantee on 20 November 1974. Pursuant to the Company's memorandum of association, every member has undertaken, in the event of a deficiency or winding up, to contribute an amount not exceeding \$50.

(d) Industry & Geographical Segments

The Company operates wholly within Australia in the industry of school and kindergarten education.

(e) Employee Benefits

Provision is made in respect of the Company's liability for long service leave at balance date. Long service leave is accrued in respect of employees with more than 1 year of service with the Company. Untaken annual leave entitlements (if any) are provided for.

(f) Revenue

Government grants (Contributions) from NSW Department of Education and NESA are recognised in the Balance Sheet and Statement of Profit or Loss and Other Comprehensive Income at fair value when the Company obtains control of the contribution or the right to receive the contribution. It is probable the economic benefits comprising the contribution will flow to the entity; and the can be measured

SYDNEY MONTESSORI SOCIETY
(A Company Limited by Guarantee)
A.C.N 001 265 738

1:STATEMENT OF ACCOUNTING POLICIES (continued)

reliably. Recognition of Revenue received in advance (Government Grants, Tuition Fees, and Membership Fees) is deferred in the Balance Sheet.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance sheet are shown inclusive of GST.

(h) Stock on Hand

Stock on hand is measured at cost less provision for loss of service potential. Provision is made in the period in which obsolete and slow moving stock is identified.

(i) Related Party Transactions

No transactions occur with Directors or other Related Parties requiring disclosure in these Financial Statements.

(j) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities in the economic entity are classified as finance leases. Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments including any guaranteed residual values. Lease payments are allocated between the reduction of the leased liability and the lease interest expense for the period. Lease assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments from operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(k) Economic Dependence

The Company is dependent on Government Subsidies for a material part of its revenue. At the date of these Financial Statements, the Directors have no reason to believe that Governments will not continue to support the Company.

1:STATEMENT OF ACCOUNTING POLICIES (continued)

(l) Creditors and other payables

Creditors and other payables represent the liabilities for goods and services received by the Company that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days.

(m) Cash and cash equivalents

Cash and cash equivalents included cash on hand, deposits available on demand with banks, other short-term highly liquid investments with original maturities of three to six months or less, and bank overdrafts, if any.

(n) Receivables and prepayments

Receivables include amounts due from parents for services provided. Prepayments represent amounts paid by the Company at the end of the reporting period for goods and services yet to be received. Receivables and prepayments are expected to be collected/realised within twelve months from the end of the reporting period. The balance is recognised as a current asset.

(o) Impairment

At the end of each reporting period, the Company assesses whether there is any indication that an asset may be impaired. After testing, any excess of the asset's carrying value over its recoverable amount is recognised in the Statement of Profit or Loss and Other Comprehensive Income.

(p) Critical accounting estimates and judgments

The Company evaluates estimates and judgments incorporated into the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

11. CONTINGENT LIABILITIES

The Company had no contingent liabilities at Balance Date.

12. CAPITAL MANAGEMENT

The Company's capital consists of its financial assets less its financial liabilities.

Directors control the capital of the Company to ensure that adequate cash flows are generated to fund its programs and ensure that the overall risk management is in line with this objective. Risk management practices included a late fee policy, forfeiture of security deposits, and regular analysis of profitability and future cash flow requirements.

Directors manage the Company's capital by assessing its financial risks and responding to changes in these risks and in the market. These responses include the consideration of tuition fee levels.

The strategy of the Company in managing its future cash flow requirements is to ensure that sufficient cash is on hand to meet employee costs and to pay trade and other payables.

There have been no changes to the strategy adopted to control the capital of the Company since prior year and the Company continues to have no net debt.

Scope

I have audited the accompanying Financial Statements, being a Special Purpose Financial Report of Sydney Montessori Society ("the Company"), which comprises the Balance Sheet as at 31st December 2024 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement for the year then ended, a Summary of Significant Accounting Policies, other explanatory Notes and the Directors' Declaration.

Qualified Audit Opinion

In my opinion, except for the effects on the Financial Statements of such adjustments, if any, as might have been required had the limitation on my audit procedures referred to in the qualification paragraph not existed, the Financial Statements present fairly in accordance with the accounting policies described in Note 1 to the Financial Statements and with the financial position of the Sydney Montessori Society as at 31st December 2024, and the results of its operations and its cash flows for the year then ended and complies with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*.

Basis of Qualified Opinion

Donations and Fundraising activities form part of the revenue for the Company, which has determined that it is impracticable to establish controls over the collection of such monies prior to entry into its financial records. Accordingly, as the evidence available to me regarding these sources of revenue was limited, my procedures with respect to these revenues had to be restricted to the amounts recorded in the financial records. I therefore am unable to express an opinion whether such revenues obtained by the Company are complete.

Directors' Responsibility for the Financial Statements

The Directors' of the Company are responsible for the preparation and fair presentation of the Financial Statements and have determined that the accounting policies described in Note 1 to the Financial Statements are appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the needs of the Members. The Directors' responsibility includes implementing and maintaining internal controls they determine are necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the Financial Statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. We have nothing to report in this regard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Directors are responsible for any other information included in the Financial Report, which is not covered by my Auditor's Report and accordingly I do not express any form of assurance conclusion thereon. In connection with my audit, my responsibility is to read such other information and consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

Auditor's Responsibility

My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report to the Members that includes my opinion based on my audit and based on the accounting policies adopted by the Directors' as set out in Note 1. These policies do not require the application of all Australian Accounting Standards. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the *Corporations Act 2001*. I confirm that the independence declaration required by the *Corporations Act 2001* previously provided to the Directors of the Company would be in the same terms if provided as at the date of this Auditor's Report.

Basis of Accounting

Without further modifying my opinion, I draw attention to Note 1 of the Financial Statements, which describes the basis of accounting. The Financial Statements have been prepared for distribution to Members for the purpose of fulfilling the Directors' Financial Reporting responsibilities including those under Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the Financial Statements may not be suitable for other purposes. Accordingly, I disclaim any assumption of responsibility for any reliance on this Report or on the Financial Statements to which it relates to any other persons, or for any purpose other than that for which it was prepared.
